Dear FEC General Counsel:

On April 28, 2017, I contributed \$100 to the publication of an anthology called "*We Take Our Stand - Montana Writers Protecting Public Lands.*"

I have now received a Notice from you regarding a Complaint (MUR 7250) filed against me, and all the other people who contributed to or organized this effort, claiming that by doing so we have violated the Federal Election laws, including the Federal Election Campaign Act.

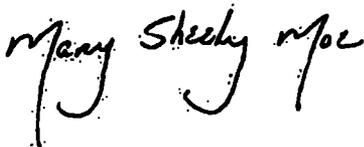

I expressly deny each and every claim made against me in the Complaint.

My involvement was limited to donating funds to the effort. I did not participate in the management or operations of the group or its efforts, and I did not willingly or knowingly intend or attempt to avoid, breach, or run afoul of FEC or any other federal or state laws, regulations or rules. By contributing, I simply was attempting to support the writing of some of Montana's foremost writers on the important subject of Montana's public lands.

I respectfully request that (1) no action be taken against me in response to the Complaint and (2) the Complaint be dismissed with prejudice.

Thank you for your patience and understanding. Please contact me if you have any questions.

Sincerely,

Mary Sheehy Moe
